Re: Sillam v. Labaton Sucharow LLP et al.,  
No. 21-CV-6675 (CM)(OTW)

Dear Magistrate Judge Wang:

At the court conference on November 3, 2022, Your Honor directed the parties to submit a joint letter today updating the Court as to the status of discovery. This letter is submitted in accordance with Your Honor's direction.

Discovery in the action is proceeding and at this time, the parties have no discovery disputes, other than the outstanding dispute regarding the location of Plaintiffs' Depositions, of which the Court is already aware and on which the Court has directed additional briefing.

We thank the Court for its time and attention to this matter.

Respectfully,

/S/  
Douglas Reda
